Dimitar is a very modern Power Forward with a strong body and he really likes to mix it up inside. He is very physical when posting up and he has the skills to finish his moves with either hand. Besides his post-up game he possesses 3 point range he has the ball handling and quickness to beat his defenders off the dribble as well. Dimitar is a great rebounder on both sides off the floor and he likes to push the tempo after defensive rebounds. Defensively he is a very good weak-side defender has quick hands for a player with his size.
