## OUTLOOK

Jordan is an athletic power forward who fits an up-tempo style of play. His agility and speed make him a difficult matchup for most power forwards.

His athleticism leads to many dunks in transition, off pick and rolls, and in drive and kick situations. He is also effective in 1vs1 isolation situations from the perimeter.

Jordan relies on his length and athleticism to alter shots and protect the rim. He is also a capable perimeter defender because of his speed and quickness. Outstanding rebounder on both ends of the court and his quickness and athleticism allow him to guard multiple positions and stay in front of Guards in Pick & Roll situations.
