OUTLOOK

Kavione Green is an effective scorer who can score in a variety of ways. He has great size for either the shooting guard or small forward positions. His ability to consistently make perimeter shots makes him a difficult matchup. He counters his shooting ability by getting to the basket and drawing fouls. Kavione has great slashing ability off-the-ball. He times his cuts well and causes havoc for opposing defenses.

He is not just a catch-and-shoot player because he can also shoot off-the-dribble when defenders close out too hard. Even though Kavione is a high-volume scorer, he's not a high-volume shooter. He doesn't require the ball a lot to be effective. Kavione is patient and willing to give up the ball to his teammates.
