## / OUTLOOK

Marcus is a smooth left-handed combo guard who can score in a variety of ways. His biggest attribute is his ability to score off the dribble. He uses a multitude of fakes and dribble moves to set up his drives to the basket and his pullup jump shot. His pullup going to the right as well as his right to left crossover move are his most effective weapons. Besides of his shot creation, he is also able to create for his team-mates and allow them to catch the ball in their preferred spots. Marcus' length and quickness make him a capable defender.
